

A+ ARCHER NEWS

MAY 4, 2026

Hello Archer Families,

🍎 Celebrating Our Heroes: Teacher Appreciation Week! This week, we are thrilled to celebrate Teacher Appreciation Week and honor the incredible dedication of our educators. Our teachers are the heartbeat of our school, working tirelessly to inspire and support our students every single day. We want to extend a huge thank you to our Student Council for providing a wonderful kickoff breakfast, and now we invite you to join the celebration! Whether it's through heartfelt letters, thoughtful gifts, or any creative gesture your heart desires, please take a moment to shower your child's teacher with the appreciation they deserve. Please note that while all other tokens of gratitude are welcome, we are unable to accept cash gifts. Thank you for helping us recognize the hard work and passion of our amazing teaching staff!

🏌️ History has been made on the green! We are absolutely bursting with pride for our **A+ Charter Schools** girls golf team on winning their first-ever **Canyon Athletic Association (CAA) State Championship!** This monumental achievement is a testament to the talent and grit of our athletes, and we couldn't have reached this summit without the amazing leadership and dedication of **Coach Troy Riester**. The excitement doesn't stop there—a massive congratulations to **Tiani Lesperance** for her stunning **second-place** finish and **Nara Lesperance** for taking home **third** in the state! Girls, your hard work and passion have truly paid off, and we are sending you the loudest cheers for this historic victory. Congratulations on an unforgettable season!

Our **Varsity baseball** team's journey came to an end in the semi-finals, but we couldn't be prouder of this young team's outstanding season and the bright future ahead of them! As one season closes, another reaches its peak—let's send a huge "good luck" to our **Track athletes** as they head off to compete at State this week. We are rooting for you!

Huge thank you to the amazing parents who rocked our first PTO meeting last week! 🌟 Your energy and passion for supporting our students and staff are exactly what make this school community so special. We're beyond excited to hit the ground running with you! If you missed the first meeting, no worries! We'd love to have your voice in the mix. Join us for our **next meeting on May 12th at 6:00 PM** in the MPR. Let's make next year the best year yet!

Our **4th Annual Archer Showcase** is just around the corner! Mark your calendars and join us for a meaningful evening where our students highlight their learning through Project-Based Learning (PBL) by sharing the impactful and engaging work they've created throughout the year! See flier below for details. 🌟

We are beyond proud to announce that our **A+ Archer Junior High Band** has been invited to perform at **Global Water** on **May 8th at 9:30 AM**. Our talented musicians will be headlining a special event for a local senior group, bringing soulful melodies and high-energy entertainment to some of our community's most cherished members. It's a wonderful opportunity for our students to share their hard work and spread a little joy through music! Way to go, Archers—we can't wait to see you shine! 🎸🌟

Warm regards,

Rachelle Reese
Principal

4TH ANNUAL A+ Charter Archer Showcase

CHARTER SCHOOLS

Discover Learning in Action!
Experience the power of Project-Based Learning (PBL) as our students bring their ideas to life through creativity, critical thinking, and real-world problem-solving. This interactive event features student-driven projects that showcase innovation, collaboration, and hands-on learning.

- See their talents
- Explore real-world applications
- Celebrate student achievement

You won't want to miss it!
