Titusville Area School  
District

October 2026  
Mr. Shawn Fink, Principal

## Message from the Principal:

It is hard to believe that the first month of school is already over. The year is off to great start and our staff have been working hard to ensure that we have another great school year.

Looking at the month ahead, we have a lot going on. October 1st will be our Heavenly Hats day. Students and staff are able to wear their favorite hat for \$1. All money that is raised goes to the Heavenly Hats foundation. This foundation uses the money to help those who have lost their hair due to cancer. It is a worthy cause and we generally do this twice a year. There will not be school on October 2nd for students as it is a Professional Day for teachers. On the 9th we will be having our Fire Prevention Day that is put on by our local volunteer fire department. They will have stations set up where they will talk with the children about the different safety tips they can use in the event of a fire as well as explaining the different tools and parts to the fire truck, emergency vehicle, and possibly a helicopter. This is a fun but educational experience for all of the children.

On October 20th, we will have our picture retake day. This is a day for any student who might have missed our original picture day or if parents are wanting their child's pictures redone. All you have to do is send back the photo package you received from Interstate Studios and they will simply retake the child's picture.

During the week of the 26th we will be having a bookfair at the school in the library. Students will have the opportunity to view the books and items either on Monday or Tuesday followed by being able to purchase those desired items on either Wednesday or Thursday. Also, on the 27th, we will be having our annual Boo 'K' tacular night. This is where you can bring your child to the school in the evening in their Halloween costume to go trick-or-treating around the building, have a chance at winning a costume contest, and take part in some games. It is a great deal of fun and we have had a fantastic turnout in the past so we are looking forward to another great night. More details to follow as we get closer.

The end of the first quarter will be November 4th. Report cards will then go out the following week so be looking for those. Also, parent/teacher conferences will be on November 12th and 13th we will send home a signup with times for you to pick from as the time gets closer.

As always, thank you for your continued support and commitment to our school. If you have any questions, please do not hesitate to contact me at (814)827-2715 Ext. 6400 or by email at [sfink@gorockets.org](mailto:sfink@gorockets.org).

Sincerely,

Shawn Fink

Principal

## Fall is Here

Leaves are falling and days are getting cooler. Please make sure your child is dressed for the weather so we can still enjoy that fresh air in those outdoor recesses.

This time of year also brings the sniffles and sneezes. A box of tissues sent in to the classroom is always appreciated!!

Boo-k-tacular is coming.

Time to find your costume and our Classroom Candy Contest will be beginning soon. You can donate, not just candy, but small Halloween treat, trinkits, etc.

## October Events

Oct 1-

Heavenly Hats \$1

Oct 2- Professional Day- No School

Oct 6-PTG Meeting @ 3pm
