

Welcome Back

Dear August Martin School Community,

Welcome to our website! I hope you all had a wonderful summer!

As we kick-off the 2026-2027 school year here at August Martin High School, I feel both incredibly proud of our scholars and excited for the year that lies ahead. Whether it's taking the stage to deliver a speech at the citywide Soapbox Project, competing for scholarships in the kitchen in National Young Chef competitions, or seeing your hours of studying pay off earning 4's and 5's on your AP exams, our scholars continue to soar to new heights. Last year, our scholars demonstrated tremendous academic growth-making strong gains in Regents performance across our school-- a testament to the dedication of our scholars, the commitment of our teachers and staff and the unwavering support of our families, for it truly takes a village...and commitment...and hard work!

This school year promises to be another exciting chapter in the August Martin story! As we welcome the Class of 2030 into our Falcon family and celebrate the conclusion of the Class of 2027's journey, we look forward to a year filled with irreplaceable moments in our school community. We're excited to watch our beloved Falcons sports teams take home field on our brand new turf field opening Fall 2026! Our dedicated teachers, counselors, staff and our CBO partners work hard to support our scholars and families with a high school experience that empowers every scholar to achieve excellence by equipping them with the skills they need to **Persevere, Persist and Reach Success!**
