

PTSO Minutes

April 22, 2026

Members Present

Curtis Ellis

Amy Rivera

Melissa Pahota

Gwen Taylor

Sharon Merwin

Candy Riley

The meeting was called to order by Amy Rivera.

Melissa Pahota gave the treasurer's report. After paying for the SeaWorld trip, our balance is \$4,769.76.

Mr. Ellis provided attendees with a FAST test calendar. Testing begins on May 1 and does not end until May 22.

Mr. Ellis and Mrs. Merwin presented the Comprehensive Needs Assessment data and asked for input from parents and teachers. All were pleased with the FAST data from last spring and are eagerly anticipating PM 3 scores in May. No suggestions for the CNA were made.

Attendees discussed the SeaWorld field trip. One suggestion for next year is to provide parents who drive separately with their tickets before departure.

Putnam Academy's Arts and Sciences Night is scheduled from 5:00 until 7:00 on Thursday, April 23. Displays will include pottery, photography, art, science fair projects, etc. The band and drumline will also perform. Several food trucks will be available as well.
