- In case you are wondering...see attached flyer for the fun that is happening in our computer specialist class in October.[Computer Newsletter](#)
- Our school will be having our annual fall fundraiser. Students will be bringing home order forms and a parent letter today. We will be selling popcorn this year to benefit our teachers and students. The fundraiser will run from Oct. 5th - Oct. 20th. The forms are attached here...[Fundraiser Flyer](#)

FOR YOUR INFORMATION....

We are sharing important information regarding state literacy guidelines and how our school supports reading growth for all students.

As part of State requirements, students complete regular reading assessments (such as the Acadience Reading Assessment) throughout the school year. Helping every student become a confident, capable reader is a responsibility we take seriously. We want families to understand how we identify reading needs, provide support, and work together to help students succeed. Throughout the school year, we use reading assessments, including Acadience Reading, along with classroom work and teacher observations to understand each student's progress. When results show that a student needs additional support, we communicate with families, identify the skills that need attention, and provide targeted instruction. See attached letter...[IRP Letter](#)

Please see attached flyer for information regarding the dentist coming visit our school.[Dental Information](#) [Spanish Dental Information](#)

- Community Flu Shot Clinic will be held at the elementary school Wednesday, Oct. 7th from 4 pm - 8 pm.
