PUBLIC NOTICE OF INTENT TO APPLY

FY2027 Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) | Cohort 2

Riverside Elementary School District No. 2 hereby notifies students, families, community members, and other interested parties of its intent to apply to the Arizona Department of Education for funding under the FY2027 Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) competitive grant, Cohort 2.

Proposed grant-funded school site(s)

School site	Anticipated Year 1 request
Riverside Traditional School	\$120,000
Kings Ridge Preparatory Academy	\$120,000
Total anticipated Year 1 request	\$240,000

The proposed programs would provide free expanded-learning opportunities outside the regular school day, including targeted mathematics and reading instruction, STEM² and other enrichment activities, youth development, and educational opportunities for families. Services are intended to supplement existing school-day instruction and increase access for participating students and their families.

Application deadline: October 13, 2026.

Public availability of the application

After the application is submitted, the submitted application and any applicable waiver requests will be available for public review. Community members may request a copy or arrange to review the materials using the contact information below.
